Activity Report	
Type of Activity	Workshop
Title of Event:	A Workshop on Research Methodology
Date of Event:	10/10/2019 to 11/10/2019
Name of organizing Department:	IPR Cell
No. of Participants	62
Coordinator	Mrs. Vijayasree
Objectives of the Event :	<ul style="list-style-type: none">• To provide a comprehensive understanding of the basic principles and concepts of research methodology.• To explain the various types of research and their appropriate applications.• To develop participants' skills in designing and conducting research studies.• To enhance their ability to select suitable research methods and tools for their specific research questions.• To teach effective techniques for data collection, ensuring reliability and validity.
Outcomes/Benefits	Participants gain practical skills in designing and conducting rigorous research studies. Proficiency in various data collection methods, ensuring accuracy and reliability in gathered data. Ability to apply both qualitative and quantitative data analysis techniques effectively. A thorough understanding of different research methodologies and their appropriate applications. Enhanced ability to critically evaluate research literature and methodologies.
