DIRECTOR MESSAGE

Dear Students,

The month of April went on with an air of enthusiasm, professionalism – as our college, became a platform for Abhivyakthi -2K18, A State level Tech Management Fest, successfully conducted by Faculty and Students of both MBA & MCA. Large number of students from other colleges participated in various events and shared their knowledge and experiences, thus making it a huge success.

Dr. D Shireesha
Director

The college also hosted Alumni Meet where passed out students came and shared their experiences and views, which were extremely helpful for the present batch of students.

In today's competitive era, the challenge is to be ahead, striving for success and we act as architects, in nurturing knowledge leaders for the world.

I wish you all the best for achieving greater success and scaling new heights in your education and career.

EDITORIAL

Welcome to April Edition of Aurora Gazette.

The month of April witnessed the most happening event in the history of Aurora Post Graduate College, Moosarambagh – ABHIVYAKTHI – 2K18, A State level Tech Management Fest, a business conclave, which attracted students from various colleges, who participated in various formal and informal events and showcased their talents and building good relations among the students of various institutions.

The college Alumni meet was conducted where alumnus of the college participated in huge number and shared their experiences and guidelines for the present batch.

It is really heartwarming to put together these expositions. We feel glad to acknowledge to kind support and encouragement of all those who contributed directly or indirectly to bring Newsletter out.

Finally we wish to encourage more contributions to ensure a continued success of the newsletter.

We also welcome comments and suggestions that would improve the quality of the newsletter to the mail id auroragazatte17@gmail.com

STUDENT ACHIEVMENTS

Maharshi Thatikonda MCA 2nd year 2nd Semester student developed TechTonic game for the Management Fest .TechTonic is a visual game developed under the guidelines of Ms. Arpitha HOD MCA, faculty members Ms. Vijaya Sree and Mr. Ram Prasad . The Game has two levels.

1st Level Blast and Reveal:

The Player has to shoot balloon by clicking the mouse, each balloon carries clocks (Logos) inside them, The player's target is to reveal 12 clocks within 90 seconds.

2nd Level Memory Matching.

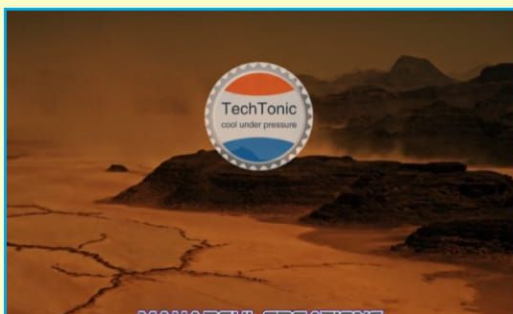

In this level the players have identifies the images inside the rectangles. There are two images are randomly placed in somewhere else, the player has to identify the position of two images at same time. They are able to see only one image at one time by clicking the mouse on it another will closed by a cover page.

Used Technologies: JavaFX(Game) , Core java and MySql Database.

Modules: Player Environment (Game), Leading Board and registration module.

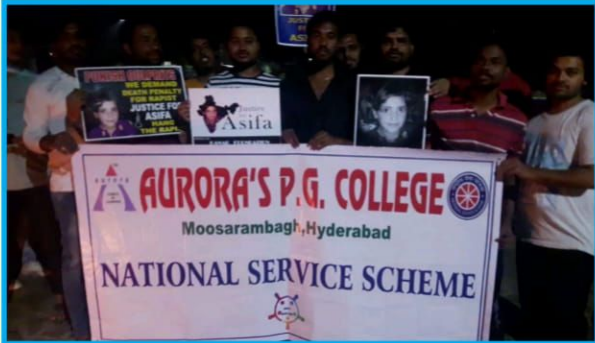

Faculty Coordinator: S.VijayaSree ma'am
