Hyderabad, TS.

We appreciate magic bus India Foundation, Hyderabad-TS for conducting Connect with work programme for graduate students from 27/06/2024 to 04/07/2024.

Students who have undergone this training gained lots of knowledge like communicating with delegates, how to solve a problem, how to take a decision, self-introduction, resume preparation and through mock interviews they came to know how to face an interview and more skills.

We the management, principal, faculty and students appreciate the efforts of magic bus India foundation. We are grateful for **Miss ROJA HASINI** dedication and efforts to bring students from introvert to extrovert and built their carrier in their life.

We look forward to work with Magic Bus India Foundation on a long-term basis and promise to extend our support to any such activity that would transform the career prospectus of students and thus increase their employability.

  
Thanking you.
